

**Not All Scientists Wear White Coats!!!**  
*University of Michigan Exhibit Museum  
of Natural History  
and the Detroit Public Library Presents*

## **“Science for Tomorrow” Career Programs**

Find out about some “cool careers” in science, and learn how you can discover the CSI (Crime Scene Investigator) in you!

*How can a physicist help improve computer technology?*

*Can an ecologist help us make sure we have enough food?*

*Why would an archaeologist want to study in Iraq?*

*Where do YOU want to go?*
